

**REMARKS**

Applicants received an April 17, 2007 Notice of Non-Compliant Amendment, asserting that claim 10 in the October 13, 2006 submission is not presented with correct markings to indicate the changes that have been made relative to the immediate prior version.

Applicants understand that the Notice of Non-Compliant Amendment refers to claim 10 that was filed in the June 2, 2004 Preliminary Amendment, and enclosed in the October 13, 2006 Petition to Withdraw Holding of Abandonment. Applicants also understand that the "immediate prior version" refers to the claims in the March 15, 2004 Response to Non-Compliant Amendment.

Accordingly, a complete list of claims is attached, with claim 10 presented with correct markings to indicate the changes that have been made relative to the March 15, 2004 version. Applicants respectfully request that this list be entered to replace the claims submitted with the June 2, 2004 Preliminary Amendment.

In this Supplemental Amendment, claims 7, 9, 11, 14, 19 and 20 are amended to obviate informalities.

In view of the above, the pending claims in the present application are compliant.

Accordingly, prompt examination and favorable consideration are solicited.

Respectfully submitted,
